

## **Economic Development**

### **Economic Development Officer**

The Economic Development Officer is responsible for the day-to-day coordination between business development and each of the Township departments. The Economic Development Officer's function includes marketing, commercial relations, centralized information and guidance to business organizations.

The office of Economic Development assists the Administration by studying and analyzing various commercial, business and corporate entities with a view to ascertaining opportunities for positive economic development in appropriate areas of the Township. The Economic Development Office maintains a continuous dialogue with business firms so as to determine how the Township may address their needs in order to strengthen business activities and the promotion of business opportunities.

The Economic Development Officer, Howard Turbowitz, can be reached at (908) 725-6300 ext. 5090, or by email at [econofficer@bridgewaternj.gov](mailto:econofficer@bridgewaternj.gov)
